

## Errata

**Page xii:** Unfortunately we omitted to thank Vlastimil Krivan for his helpful comments - his name should appear in the list between Michal Johanis and Mike Mesterton-Gibbons.

**Page 149:** the payoff matrix in equation (8.24): the Marauder versus Bourgeois payoff and the Bourgeois versus Marauder payoff should both be  $(2V - C)/4$  not  $(2V - C)/2$ .

**Page 151:** equation (8.30): the last term should be  $\delta_D$  and not  $\delta_H$ .

**Page 163:** second paragraph, line 5: “in a group of  $n$  players” should be “in a group of  $m$  players”.

**Page 163:** equation (9.4): the upper index above the product sign should be  $m - 1$  rather than  $k - 1$ .

**Page 278:** Table 14.2 WSLs plays  $C$  if the last payoff from the last round was  $R$  or  $P$ , not  $R$  or  $T$ .
